- 1. On 4 October 1948 the SS YALU, a Soviet ship, arrived in Harbin. Twenty-nine Soviet passengers disembarked and went to the Railway Hotel, which is reserved for high-ranking officials and foreign guests.
- 2. The visitors are members of a 62-man Waterways Survey Team which is surveying the Sungari River to Harbin. The other members left the ship in groups of four or seven at the river ports of Tungchiang (132-29,47-39), Fuchin (131-59, 47-14), Chiamussu, Ilan (129-33,46-19), Tungho (128-45,45-58) and Eulan (128-08,45-57).
- 3. The YALU has come to Harbin a number of times since the end of the war.
